

REACTDEVSKES PRESENTS

RenderCon Kenya 2026

React. Connect. Build.

East Africa's flagship React conference — 3 October 2026 • Nairobi,
Kenya

Why RenderCon Exists

RenderCon Kenya is not simply a conference. It is the flagship event of the ReactDevsKe community — a catalyst for growing the React and React Native ecosystem across East Africa. We exist to connect developers, inspire innovation, and strengthen Africa's technology future.

Connect

Bring together developers, founders, and engineering leaders from across East Africa and beyond

Inspire

Showcase world-class React and React Native innovation on a global stage

Strengthen

Accelerate the growth of Africa's developer ecosystem through knowledge and community

Meet ReactDevsKe

East Africa's most active React community — built by developers, for developers. Since inception, ReactDevsKe has grown into a thriving ecosystem of engineers, learners, and builders shaping the future of frontend development across the region.

RenderCon 2025 Attendees

First edition sold out

RenderCon by the Numbers

The inaugural edition proved the demand. RenderCon 2025 brought together developers from across Kenya and East Africa for a day of learning, connection, and inspiration — setting the foundation for an even bigger 2026.

200+ Attendees

First edition, fully sold out

Single Day

High-impact, focused format

Regional Reach

Attendees from across East Africa

7K+ Community

Active and growing

RenderCon
Kenya

2026 VISION

Scaling to 500+ Attendees

RenderCon Kenya 2026 represents a bold step forward. We are scaling from 200 to **500+ attendees**, expanding our regional footprint across East Africa, and elevating the conference experience to world-class standards.

500+ Attendees

2.5x growth from 2025

East Africa Region

Kenya, Uganda, Tanzania, Rwanda

Global Speakers

International React experts

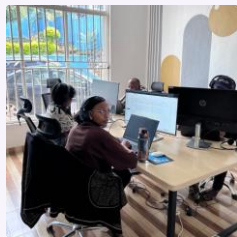

Who's in the Room

A diverse, high-caliber audience of builders, decision-makers, and innovators — all connected by React.

Developers

Software engineers, frontend specialists, and React Native developers building real products

Engineering Leaders

CTOs, tech leads, and engineering managers shaping product and team direction

Students & Designers

The next generation of African developers and product designers

Founders & Builders

Entrepreneurs and community builders driving Africa's tech ecosystem forward

Why Partner With RenderCon

This is not a sponsorship. It is an investment into the fastest-growing React ecosystem in Africa — with direct access to thousands of engaged developers, hiring pipelines, and brand loyalty built on authenticity.

Brand Visibility

Premium placement across all event touchpoints, digital channels, and media coverage

Community Access

Direct engagement with 7,000+ React developers and the broader East African tech ecosystem

Ecosystem Impact

Shape the future of React in Africa — your brand becomes part of the story

Talent Pipeline

Connect with top engineering talent across Kenya and East Africa

Sponsorship Opportunities

Choose the tier that aligns with your goals. Every partnership delivers meaningful brand exposure and genuine community impact across East Africa's React ecosystem.
